*The San Dieguito Art Guild's 2010 Newest President and her new board will reside over the Off Track Gallery in Encinitas, CA.*

Cheryl Ehlers the newest President and her new board welcome you to the San Dieguito Art Guilds, Off Track Gallery, located in Encinitas, CA.

The San Dieguito Art Guild began in 1965 with a mixture of artists with a bright vision of promoting a greater understanding and appreciation of art in the area. Over the next 45 years the Guild operated its gallery in many locations in and around the areas in North San Diego County

Recently in 2010 they moved into a populated business district in the Lumberyard Shopping Center, downtown Encinitas, Ca. The membership is over 200 strong and is a collective group of artists in the fields of fine art and jewelry. These artists are a hard working group of volunteers that involve themselves selflessly in presenting to the community the “best foot forward” in representing themselves and the Off Track Gallery. We are about the community, the local artists and the joys it brings to each and everyone of use that have the opportunity to experience art.

The new board will be stepping into a relatively new adopted policy program and a will be responsible for upholding and fine tuning the edges in order to keep the gallery running smoothly and effectively to the satisfaction of all artists and to the appeal of the general public. With pride we look forward to our tasks at hand and opening doors into other areas for promoting art in the community.

Come visit us and spend time browsing all our inventory. We “Thank You” for stopping in and visiting and referring our artists to your friends and associates. Visit [www.offtrackgallery.com](http://www.offtrackgallery.com)

Sincerely,  
Cheryl Ehlers, President
